

D-E-SM

**ERGONOMIC. POWERFUL.
RELIABLE.**

The Cifarelli brush cutter model DC5M is designed for both professional use and for gardening. The power of the C5 Cifarelli engine and its great ergonomics, makes the DC5M brushcutter suitable for intensive, continuous and frequent use in demanding conditions. Nevertheless, the double handlebars makes it ideal for amateur that look for easy handling at home. Either way, you will appreciate its strong reliability.

CIFARELLI The fruits of the Earth in good hands. Since 1967.
