

V1200PK

LIGHT AS A LEAF

The **V1200PK** is the lightest vacuum cleaner on the market. Vacuums and shreds even large, dry or wet sheets, paper and light materials quickly and conveniently. Its low weight simplifies loading and unloading operations from the van and the application at the edge of even light vehicles to reach hard-to-reach areas. In addition, thanks to the reduced volume of the shredded material, it is possible to work without continuous interruptions to empty the container and optimize productivity. It is ideal to support the work of gardeners, maintenance technicians, ecological operators and all professionals who deal with the care and maintenance of green, urban and extra-urban spaces.

 **CIFARELLI** The fruits of the Earth in good hands. Since 1967.

ULTRA
LIGHTWEIGHT

	V1200PK	
Engine	Model C7 / 2-stroke / 77 cc / 3,6 KW / 5 HP	
Dry weight without suction and exhaust hose	19,5 Kg	
Fuel tank capacity	2 L	
Diameter	Suction hose: 150 mm	Exhaust hose: 100 mm
Lenght	Suction hose: 6 m	Exhaust hose: 1 m
Noise	Sound pressure levels EN ISO 11094 Lpa dB 90 + 4 (Kpa)	Sound power levels EN ISO 3744 Lwa dB 109 + 3 (Kwa)
	Sound pressure levels at 15 m Maximum RPM: Lpa 74,8 dB(A)	Sound pressure levels at 15 m Minimum RPM: Lpa 58,7 dB(A)
Mechanical vibrations EN ISO 20643 / ISO 22867:2011	Awh < 2,5 m/s ²	
Packaging (wooden crate)	80 x 60 x 69 cm
